

Rogate News

HAPPY NEW YEAR!

Many apologies that this newsletter wasn't sent out last week - it has been a busy term so far!

Thank you for all the positive feedback I have had about the changes we have made.

I am delighted that the children and staff comment on how calm the school has become already.

If you haven't had the opportunity to see the school this term please join us for the

OPEN DAY

on
Wednesday 26th September
from 1.30pm

As you know my time is shared between Rogate and Rake School. I am at Rogate on Tuesday morning, all day Wednesday and Thursday afternoon. Please seek me out if you have any comments or concerns. If you have concerns on my non-Rogate days either email me or speak to Mrs Garwood, our Head of School, she and I are in constant communication, so she can ensure I have any messages.

This newsletter will be sent out on a regular basis and will take the place of the Friday Flyer.

Parent Forum

I chair a successful Parent Forum at Rake - a representative from each year group who meet half termly to discuss school matters. If you'd like to join a Rogate Forum please let me know.

12th September 2018

Classes This Year

I am sure that by now you have met your child's teacher, but below is outlined the structure of the school for your information:

Little Owls (YR/Y1)

Mrs Deb Hockley supported by Mrs Jenny Stonehouse, Mrs Sarah Wherry and Mrs Dawn Spice

Barn Owls (Y2 am only)

Mrs Steph Garwood supported by Mrs Jenny Stonehouse and Mrs Rachael Wildman

Kingfishers (Y3/Y4)

Mrs Susie McAuley/ Miss Rachel Field supported by Mrs Rachael Wildman and Mrs Dawn Spice

Red Kites (Y5/Y6)

supported by Mrs Dawn Spice and Mrs Carla Waterer

Want to make a difference?

Can you support the school moving forward?

Why not become a **VOLUNTEER?**

We will make good use of any time you can spare!

Nomination papers have been sent home in book bags

Friday Assembly

Please join us on Friday at 9.00am for our Family sharing assembly. Mrs Garwood will focus on the achievements of the week, give out house points and celebrate any children's birthdays.

Reading Records

You should have had a reading book and reading record book sent home - if not they are on their way. Please use this when you listen to your child read. Try to make a comment about their reading rather than just signing it. We would like children to read to an adult every day, either at home or at school - this really makes a difference. If you need to pass on information to your child's teacher you can use the book for this too.

CLUBS

Despite text messages sent out today (sorry!) Aspire Netball starts on Thursday 13th September. Aspire Football started this week. Aspire multi-skills start on Monday 17th. All other clubs start on Monday 24th September

What do think of the new newsletter?
Have you met Mrs Jane Wilkinson?
She is our school business manager and deals with all money matters!

Please turn over for details of events happening this term - those marked with a £ require payment. I hope it helps to have advanced notice.

INTRODUCING 9:30AM SESSIONS

TRANSFORM YOUR BODY IN JUST 4 WEEKS
